1.0 Enter & View Project Update

1.1 Dignity Project

Enter and View has taken place across the following sites, with (approx. 100) interviews completed:

- Henry Cornish Centre - Chipping Norton (intermediate care beds and nursing home)
- Sandford Ward - Churchill Hospital (older people mental health)
- Wintle Ward - Warneford Hospital (adult women's mental health)
- 'Citycom' community hospital Fulbrook Centre, Churchill Hospital
- OUH - John Radcliffe Hospital (Emergency department, Maternity, Outpatients)
- OUH - Horton Hospital Banbury (Emergency department, Outpatients)
- Churchill Hospital (Renal Dialysis and Respiratory medicine)
- Agnes Court (care home for people with physical disability)
- Nettlebed Hospice (inpatient and day hospice patients)
- Brooklands (Banbury Heights Nursing home)

Online survey has been less successful than hoped with only approximately 40 patient respondents to date, and approx. 20 staff surveys. Jen and Kanika have been publicising widely while they are out and about, if you could share with your networks, it would be helpful. Initial respondents came off the back of excellent press coverage of the project.

The online surveys are due to close on 24th July.

Award nominations are currently open (with closing dates in September), information is available at AgeUK Oxfordshire's website, and we will be discussing the media plan for these w/c 18th July.

The date of the dignity awards, publication and debate is 4th November at St. Anthony's college at the University of Oxford, starting at 5pm.
