

Equal Opportunity Monitoring Form

Healthwatch Oxfordshire (HWO) recognises that many people in our society experience discrimination or lack of opportunity for reasons which are not fair. HWO aims to create a culture that respects and values each other's' differences and we see these differences as an asset to our work as they improve our ability to meet the needs of the organisations and people we serve. All volunteers must declare their support for the objectives of the policy. In order to monitor the implementation of this policy, we would be grateful if you could complete this form. It will be separated from your registration form and not used as part of the selection process.
