

The Oxfordshire Breast Cancer Support Group

**We are here when you need
us – there's no need to feel
alone**

Bosom Friends is a wholly voluntary group, run solely to offer support and comfort to those in need – a listening ear, with confidentiality respected.

Bosom Friends was formed in 1991 by two women who wanted to ensure that others in Oxfordshire should not feel the same isolation that they had experienced following their diagnosis of breast cancer and subsequent treatment.

We hold monthly meetings, sometimes inviting guest speakers, and occasional other events.

More important than this, we offer an understanding voice at the end of the phone if you need it..

Whether you have just been diagnosed, or are undergoing treatment now, or did so even some years ago, or if you want to talk, we are here.

We are here to support you, your friends, partner or relatives – all are welcome.

Our meetings are generally held on the first Monday of each month (excluding Bank Holidays), usually in members' homes. Please telephone to find out the venue for our next meeting, and come for tea or coffee in a supportive and informal atmosphere.
